Convention Theme

ARNION (Lamb) Martyrs are they who overcame the Antichrist and his evil government by the blood of the Lamb and by the word of their testimony, and they did not love their lives to the death (Rev 12:11)

Dear Saint of God,

I would like to extend an invitation to all believers from every nation who are eagerly looking forward to the coming of the Lord Jesus to join us in Weiden, Germany for this very important Arnion Martyrs Conference. The Conference will meet on November 3-5, 2022. This will be a special conference that will center on an important end-time event – martyrdom.

Every student of the Word knows that the first Christian martyrdom and persecution took place in Jerusalem (Acts 7:59; 8:1). The Lord Jesus spoke at great length on this subject during His last sermon in Matthew 24. He detailed of persecutions, imprisonment, betrayal, and martyrdom. We also read in the Book of Revelation how in the end-times the remnant will be persecuted and even martyred (Rev 12:17; 13:7).

On June 15, 2019, while I was waiting on God at 2 AM, I heard the Father God say, "Organize a special conference in 7 nations warning My people about the coming martyrdom and persecution." Germany is one of the countries – the center where the Father God mandated to hold the conference.

Why Germany? European soil, is drunk with the blood of Martyrs who died during the Reformation, Baptist movement, Armenian Genocide, Communist persecution and many more, is crying out to God. Dietrich Bonhoeffer, a German Lutheran pastor, theologian, was martyred on 9 April 1945, during the 2nd World War at the Flossenbürg concentration camp (20 mins. drive from the conference venue) for standing up to the truth.

As it happened in history, so will it happen again in these last days. The people of God must be prepared and ready for persecution and martyrdom coming in these last days.

At this conference, there will be special teachings on what really constitutes martyrdom, how to be prepared for its eventuality, and last days' believers' persecutions and martyrdom. The remnant must be prepared for what's coming. You cannot be ignorant and unprepared.

There is a special place of honor, a special crown and a special place of residence for martyrs in heaven. Believers are not just randomly brought to the slaughter house to be killed as martyrs. They are specially selected, groomed, trained and prepared for such a time as this. The end-times will be times of great persecution for all remnant believers – such a time as never before.

I especially invite you to come – not just as a single but with your family and like-minded remnant believers, to learn how to be prepared for the end-times persecution and martyrdom that is coming. The Lion of Judah – as the Lamb – Himself was the first martyr (Rev 5:6). There will be special impartation through the laying-on of hands. The Lion of Judah Himself will come to bless you!

I look forward to greeting you at this conference in Weiden, Germany! Maranatha!

Your Loving Host,

Sadhu Sundar Selvaraj
